

Business Bubbles

Let's start an exciting new ministry here at Ascension! Business Bubbles is a group dedicated toward helping each other get through the tough economic times by finding appropriate work. With the recent downturn in the economy, many in our church family and community have experienced the struggle of losing jobs and financial insecurity. To help those of us unemployed and under-employed, Business Bubbles will meet the second Monday of every month from 6:30 P.M. to 8:30 P.M., starting Sept 13th 2010. Our goal is to meet the spiritual, emotional and practical needs of those in transition in today's economy. Practical applications can include: networking, resume writing, interview practice, and monthly presentations from members and career professionals. There is no fee, and there is no need to RSVP. The group is open to all.

In addition to this, your business card can be in the church directory so the members may choose your company over some unfamiliar business picked out of a secular directory. Also we want to include those of you not employed but may have a side business or service to offer, like house painter, hair dresser, gardener, plumber, and so on. Business Bubbles can print display ads to support your personal business. Cost for the business card ad is FREE. Cost for the side business listing without a business card is FREE. The display ad cost is \$5 to cover the additional printing costs. Submissions may be given to Susie Van Vliet in the church office or in Pam Pimental/Paul Fernandez church message box or by email pamferd@comcast.net.

Want to help get this membership one hundred percent employed? Come to our first meeting September 13th at 6:30 P.M. and help each other. We need leaders – working or not – so you can help others as well as yourself achieve stability in a rocky economy.
